

# THE WINNER'S CIRCLE

A Publication of the Indianapolis Chapter of the Construction Specifications Institute

MEETING DATE:  
Thursday May 20, 2010

MEETING SCHEDULE:  
5:30 p.m. Social Hour  
6:30 p.m. Dinner  
Program Follows Dinner

MEETING LOCATION:  
Riverwalk Banquet Center  
Indianapolis, IN

FEES:  
Members: Free  
Guest: \$25.00  
Students: \$5.00

RESERVATIONS:  
Please RSVP via the chapter website, or contact the Chapter Voice Mail, (317) 465-1491

## CORROSION PREVENTION IN CONSTRUCTION FASTENING SYSTEMS

May Meeting

*Andy McIntye*

This month's meeting will provide a detailed review of how corrosion affects the performance of Construction Fastening Systems. Case history applications include Metal Roofing and Siding as well as Flat Roofing. Special section includes precautionary measures designers need to be aware of when working with the newest generation of preservative treated lumber, ACQ and CA. This program has been approved by the American Institute of Architects (AIA) as a sustainable design credit.

Our speaker is Ed Ward, Architectural Sales Representative, with SFS Intec, a leading manufacturer of engineered fastening systems to the construction industry.

As a reminder, this month the Programs Committee will have a survey of the membership regarding programming on the tables. This 10-question survey will help guide our efforts in bringing and sustaining a high level of quality programming to our Chapter. Fill this out and be entered into a drawing to win something spectacular (hyperbole...)! In addition, after the meeting, the

Programs Committee will be sending out a simple 4 question email survey to rate that month's program. Please be watching and we appreciate your feedback.

As a reminder, the Programs and Education Committees hold their joint meeting on the first Monday of each month at Blackburn Architects at noon. If you'd like to come and share your thoughts, just let Andy or Ed know so we'll have lunch ready and waiting!

May 2010

*Phillip C. McMullan, CSI, AICP 2009 – 2010 Chapter President*

"When written in Chinese, the word crisis is composed of two characters. One represents danger and the other represents opportunity."  
- John F. Kennedy

Recently, Blake Wagner and Dan McCloskey updated our membership list. I would like to thank them for their tireless efforts on behalf of the Indianapolis Chapter. What they found was the need to purge several members who had been unable to renew. Our membership now numbers between 196 and 204 depending

on which source you reference. I believe I speak for the entire Chapter when I say our goal is to retain over 200 members. One could look at our Chapter's declining membership and see crisis. While clearly a trend toward declining membership is dangerous not only at the Chapter level, but our membership reflects directly on Region membership and Institute membership.

However, the other half of crisis is opportunity. As I attend Construct 2010 this week in Philadelphia, there are signs of opportunity. Dennis Hall, Institute CSI Board President Elect told me that participation in this year's conference is up six percent over last year. That is very good news for our profession and the construction industry. While the danger of the crisis that has been this recession is still clearly with us, the opportunity is slowly helping to balance the situation.

*(continued on page 3)*

Without missing a beat Scott Bays and his membership committee have been working to bring new members to our Chapter. By working to replace those past members who cannot currently maintain their membership, we as a Chapter, keep our total membership at the 200 member level. Prior to the March Chapter meeting Mike BD Brannan and Pete Kerfoot, Indianapolis Chapter CSI Orientation Co-Chairs lead the orientation of six new members who "enjoyed an in-depth look into the wonderful world of CSI and the Indianapolis Chapter by attending the Indianapolis Chapter's semiannual New Member Orientation". New member orientation occurs twice a year and with the hard work of all of our involved members, we continue to attract new members – opportunity. More information on new member orientations along with the names of our newest Chapter members can be found in the April 2010 newsletter. Help these dedicated Chapter members out. If you know of someone who could benefit from membership in the Indianapolis Chapter CSI, get involved and bring a new member! Keep in mind that students and interns are people too. Get them involved. One of them could become a future Chapter President.

As I mentioned earlier, Construct 2010, the annual CSI Convention is underway. The conference runs from May 12 - 14 in Philadelphia and we are fortunate enough to have twelve member of the Indianapolis Chapter Attending. More on this in next month's Tower article.

At last month's Chapter meeting we hosted a tour at the JW Marriott Hotel. This joint meeting with AIA Indianapolis brought out over one hundred fifteen members and guests. If you missed this tour and program you missed an excellent presentation on this project from the Owner, Design Professional and the General Contractor's perspective. Our thanks to Steve Cain for his work organizing this very successful program.

This month's Chapter meeting will be held at the Riverwalk Banquet Center. The program is titled "Metal Corrosion and Protection. Reservation deadline is Friday, 14th and you can make your reservation on line at [www.csiindy.org](http://www.csiindy.org) or by using the CSI reservation line 317-4655. Standing reservations are god for this Chapter meeting.

Finally, this month's photo was taken during my presentation at the March New Member Orientation meeting. At this program, I was only one of several presenters. Others were CSI-Institute President-Elect Dennis Hall; Recently elected Great Lakes Region Institute President, David Dixon, Dow Roofing Systems; Recently elected Great Lakes Region Treasurer Jack Morgan; Indianapolis Chapter Communications Chair Dan McCloskey, BDMD Architects; Indianapolis Chapter Education and Programs Committee Member Andy McIntyre, Werner Real Estate Holdings; Indianapolis Chapter Institute Fellow John Fleck; Indianapolis Chapter Photographer Ralph Pitman, Sebree Architects, Inc. My thanks to Ralph for the photograph.

I look forward to seeing you at our Chapter Meeting on the 20th and please feel free to e-mail me at [pmmcullan@thermo-scan.com](mailto:pmmcullan@thermo-scan.com) or call me at (317) 846-4655 to discuss any suggestions, complaints, and other comments about our Chapter.

**INDIANAPOLIS CHAPTER CSI ANNUAL AWARDS BANQUET**  
Celebrate FY 2009/2010

*Pete Baker, CSI, CCPR - Special Events Chair*

Please join your fellow Indianapolis Chapter members on Thursday June 17th for our annual Awards banquet downtown at the Columbia Club's tenth floor ballroom overlooking Indianapolis' famed circle and the country's largest memorial to the American Civil War. The Awards Banquet will begin at 6:00PM with Cocktails (Cash bar) and light hors d'oeuvres, with complimentary valet parking available and a buffet dinner to begin at 7:00PM followed by the Awards presentation at 8:00PM. This will be Chapter President Phil McMullan's final official event as well as the occasion to thank and honor those individuals who have made 2009-2011 once again an "Institute Outstanding Chapter". Phil will then turn the gavel of leadership for 2010-2011 to Blake Wagner, his officers and board of directors.

Please remember IF you are planning on receiving a "Perfect Attendance" award that you must be present and please make an attempt to bring your existing CSI lapel pin to the May meeting attached to your business card. This evening is brought to you by your chapter Special Events committee all for the very affordable cost of \$25 per member/guest. You will be able to RSVP via the chapter website on or after May 14th. Reservations can also be made via the Chapter voice mail AFTER May 21st as well. Please be advised that RSVP's cannot be cancelled for refunds AFTER June 14th at 5:00PM. We hope that you will be able to keep June 17th open on your calendar and join in this celebration and appreciation of the many chapter members who do so much to make the Indianapolis Chapter CSI an Outstanding Chapter of the Institute. Remember also that this is one of the two events during the year that we enjoy seeing you with your significant other.

## TRADE SHOW EXHIBITOR REGISTRATION IS OPEN!

Get your spot reserved today!

### Trade Show Committee

If you have been an exhibitor in the past, or been one of the unlucky ones on the waiting list on the outside looking in, then here is your chance to get a leg up on the competition. Registration is now open for Trade Show Exhibitors. Get your booth from last year, change it up this year, or go hog wild and buy 2!

This year we are trying something new in hopes to work with the newer ways of payment and get the word out a bit more efficiently. You can visit the following link to register for the show.

<http://events.constantcontact.com/register/event?oeidk=a07e2s7eumud59b9aa6>

If you have any difficulties or have a non standard booth request, please don't hesitate to call either Glen Baines or Dan McCloskey.

## ADVERTISING

Let yourself be seen!

### Dan McCloskey Communications Chair

In these hard times, everyone is looking for a great way to get their name out in front of their clients and colleagues. Indianapolis Chapter offers many advertising opportunities. We hope you the advertiser gains benefit by exposure to the best networking solution in the industry.

If you and your company/products would like to advertise with the chapter, at a great rate, please let me know!

## INSTITUTE CONFERENCE REIMBURSEMENT REMINDER

Chapter Ambassador

*Jack P. Morgan, CSI, CCS, CCCA, MAI, AIA*

Reimbursement for CONSTRUCT 2010 Conference Registration, Hotel Fees, and Transportation Cost, is available for those that went to the Conference in Philadelphia. Those seeking reimbursement must satisfy the following items to qualify:

1. The person must have registered with the Chapter Ambassador as registered and planning on attending the Region Conference.
2. The person must have attended the GLR Board Meeting.
3. The person must have attended at least two education seminars at the Conference.
  - a. The seminars may include but are not limited to education sessions, tours, tradeshow product floor, and other sessions that may be held by organizations/manufacturers present at the Conference.
  - b. Prepare an electronically written report (minimum 500 words) suitable for publication in the Chapter's Newsletter to the Chapter Ambassador of one of qualifying events above. The Ambassador shall receive written report within thirty days from the conclusion of the Conference. (Chapter Officer with a line item need not submit a written report.)
4. Submit original receipts for the qualifying expenses and tallied on the Chapter's expense report form that may be downloaded from the Chapter's website. The Chapter Ambassador must receive all documentation within thirty days from the conclusion of the Conference.

The reimbursement amount line item is evenly divided among the qualified attendees. Chapter Officers are not included in this as they have a separate expense line item. It may not cover all of the person's expenses. Please send your qualifying articles to myself at [morwalsop1@aol.com](mailto:morwalsop1@aol.com) and your reimbursement information to Andy Meiring, Treasurer. Chapter Ambassador will determine the eligibility of those seeking reimbursement. The above qualifying items are current Chapter Policy.

## CERTIFICATION QUIZ

Indianapolis Chapter CSI Quizmaster

*Jack P. Morgan, CSI, CCS, CCCA, MAI, AIA*

1. What activities take place in the planning pre-design phase?
  - a) The engineers develop the mechanical and electrical systems.
  - b) The site is selected and demolition is done.
  - c) Feasibility studies and budget is set.
  - d) The program is evaluated and the engineers are selected.
  
2. In what part of Section Format is found information on submittals?
  - a) PART 3 EXECUTION.
  - b) PART 1 GENERAL.
  - c) Division 03
  - d) PART 1 INTRODUCTION
  
3. The Contract Documents include:
  - a) The Contract Forms, the Bid Forms, the Specifications, and Addenda.
  - b) The Drawings, the Specifications, and the Information to Bidders.
  - c) The General Conditions, the Drawings, and Addenda.
  - d) Everything except the contract modifications.
  
4. What are the necessary parts of a construction contract?
  - a) Identification of the Parties and the
  - b) Parties make a promise that constitutes an offer.
  - c) Both Parties sign the Contract indicating they understand and agree.
  - d) Both Parties receive consideration and the Parties have the legal authority to negotiate a Contract.
  - e) All of the above.

5. In Section Format 2008, Article, DELIVERY, STORAGE, AND HANDLING, is in which Part?:

- a) PART 1 GENERAL
- b) PART 2 PRODUCTS
- c) PART 3 EXECUTION

**HELP REVIEW CSI PROJECT GUIDES**

*Paul M. Sternberg, CSI CCS CCCA AIA LEED-AP*

CSI Technical Committee has an immediate need for interested volunteers to help review the new Project Guides. Project Guides are the new modular update of the Project Resource Manual (PRM). They will be provided as separate publications dealing with specific practice issues - Project Delivery, Specifications, Construction Administration, Product Representation, Facility Management, and Sustainability. The Project Delivery and Construction Administration guides are almost complete, with Specifications following closely behind. They have a planned manuscript completion date of May 2010. The remaining guides will be developed through this year, with final dates to be determined.

The Project Guides will be used as the basis for each of the CSI Certification programs. The guides are being reviewed by the CSI Technical, Certification, and Education committees. If you have a particular interest in any of these areas, you are a good candidate as a reviewer. A two week time period is generally allotted for review of each draft. Reviews are collected and then sent to the draft author(s).

CSI is asking for help with reviewing and commenting on the draft documents, with an emphasis on consistency of content and completeness in addressing the issues covered in each guide. If you are interested in participating in this process, please contact Greg Ceton at CSI, gcton@csinet.org or (703) 706-4723.

If you have any questions about the Project Guides, please contact Paul Sternberg at pmsternberg@comcast.net or (765) 378-6560.

APRIL PHOTOS

Ralph R Pitman, Jr CSI

**.6 CSIS + 6 FCSI'S**

2010 Jury of Fellows

*The Phoenix Group - Gilman Hu, Publisher*

Six CSI members were recently selected to Fellowship by the 2010 Jury of Fellows. The investitures will be held at the Gala, part of the CONSTRUCT2010 Show and the CSI Annual Convention in Philadelphia on Friday, May 14.

The actual citation for each Fellow-elect will be kept confidential until the ceremony. CSI Secretary Sheryl Dodd-Hansen, FCSI, CCS, CCCA, had the duty to inform all participants.

Below are the initial reactions from this year's class of 6 new Fellows:

Loren Berry AIA, CSI, CDT - "Loren, Sheryl Dodd Hansen is on line two" ...I knew right away what the call was probably about; I just didn't know whether it was to tell me that I would need to try again another year or that it would be good news. Sheryl's voice was happy and upbeat; you know the way she usually sounds. "Hello Loren"...I knew then that it was good news.

My mother had passed away on January 3rd and my submittal was not in to the Jury yet at that time; I didn't really think much about Fellowship for several days, but decided I would get the final editing done and complete the process for my mom. 'Thanks for your help mom', I thought, as Sheryl gave me the good news. "

Loren is Principal in the firm Berry Architects, PC, located in Eugene, Oregon. In FY 08-09, he was appointed to serve out a vacancy as NW Region Director. He will also serve a full (2-years) term as Director, beginning in July. Loren was nominated by the Willamette (Eugene) Chapter CSI, and his submission was chaired by Paul Edlund, FCSI, Distinguished Member.

Kevin D. Corkern RA, CSI, CCS, CCCA, LEED\_AP, NCARB – "When Sheryl Dodd-Hansen called me she started the conversation with 'I am calling about your Fellowship Nomination' I was worried that I had not been selected, but when she told me I would be elevated to Fellow, I was excited and honored.

I went to talk to my business partner Tom Parshall. This has been a tough business year and we had been discussing whether or not we would be able to budget for the Institute Convention this year. I told him, 'The decision has been made; I'm going to Philadelphia this year where I'll be elevated to Fellowship'. We're hoping he'll be able to attend too."

Kevin is partner in TLP Architects, LLC, in Nashville, Tennessee and a former Gulf States Region Director (FY06-08). He is an incoming member of the CSI Finance Committee. His nomination is by the Nashville Chapter and his submission was chaired by Troy A. Williams, CSI, CDT.  
*(continued on page 12)*

John "Grif" A. Griffith, CSI – "I was totally humbled that I had been elevated to Fellowship. This is a great honor. I became involved with CSI because I wanted to see my wife at least once a month at the chapter meetings. Seriously, I wanted to help the construction industry in any way possible because it has given me so many rewards. I never expected to get this involved with CSI when I first joined in 1983."

John is married to Alana Griffith, FCSI and former CSI President. He is currently a Director representing the NC Region CSI. He has been in the glass and glazing industry as long as he can remember. Since joining CSI, Empirehouse, Inc - Glazing Specialty Contractor, the family business has grown by leaps and bounds and he contributes this success to having the opportunity to work every day with his wife, sister, 2 nephews, niece, and son. "We are looking toward the future of glass in construction and the next generation of CSI." His nomination was by the Minneapolis/St. Paul Chapter (NC Region) CSI' and his submission was chaired by Paula Nyquist, CSI, CDT.

José A. Guaty, CSI, CDT – "Like many before me, I received the dreadful phone call in 2009 informing me I had not made the cut, but was encouraged by the chair of the Jury of Fellows to resubmit again in 2010.

When Sheryl called me, I was so nervous it felt like those days back in high school waiting for those final exam test scores. I was delighted to hear those words "Congratulations you made it"; I rambled on and on to Sheryl for twenty minutes, nerves chatter I guess. I'm humbled by this honor. "

Jose is the owner of a small Specialty Construction firm in South Florida that specializes in flexible space division and sound control products. He emigrated from Cuba when he was 7 years old. He attended schools and worked in many jobs starting in the airline-hospitality industry. This introduced him to the construction industry where he learned about proper documentations, and good communication. So inspired by his bosses and mentors, he has dedicated his career to enhancing the construction process by maximizing the efficiency of the construction team through proper use of construction documents and documentation.

José served as Director representing the SE Region CSI in FY 07-09. He was nominated by the Ft. Lauderdale Chapter (SE Region) CSI and his submittal was chaired by Abbas Zackria, CSI, CDT.

Bob Mosblech, CTC, CSI – (Editor's note: we regret not being able to reach Bob Mosblech. *(continued on page 13)*)

Attempts were made to reach Bob before the printing deadline.)

Bob was nominated by the San Francisco Chapter (W Region) CSI and his submittal was chaired by James O'Keefe.

Gerard Reed, CSI, CCPR – "When I was notified that I had been selected by the Jury of Fellows I was very gratified that they had recognized and appreciated my efforts on the behalf of CSI. I thought of my mentors who are already Fellows and was proud to be considered among them. Then I thought of the many dedicated members throughout CSI that may not have the title Fellow, but make CSI what it is. Thank you."

Jerry is an Independent Manufacturers' Representative in Michigan promoting Division 4 and 7 products in the Great Lakes area. The Detroit Chapter (GL Region) CSI nominated him and his submittal was chaired by Gerald Marquette.

The 2010 Jury of Fellows consists of 3 Fellows and 3 non-Fellows. They are, with their (region representation):

- Richard C. Robinson – Chairman, FCSI, CCS, CCCA, AIA (SC)
- Catherine D. Guglielmoni, CSI, CCCA (W)
- Gary L. Beimers, FCSI, CDT (GL)
- Nancy M. Kabza, CSI, AIA, USGBC, SCIP (SE)
- Bob Kenworthy, FCSI, CCS, CCCA (NW)
- John M. Tomaszewski, CSI, AIA (MA)

**CHAPTER PHOTOS**

Indianapolis Chapter CSI

*Ralph R Pitman, Jr., CSI, CDT*

The Indianapolis Chapter of CSI is fast approaching its 50th Anniversary in 2011. What I'd like to do is archive our history in picture for posterity. I have been taking pictures for the chapter for a short time now and need your help. What I'm looking for are any and all photos that have been taken since the beginning of the Chapter. It doesn't matter if they are old black & whites or new digitals, we need them all. All photos submitted to me will be scanned and returned or you could scan them and send me a disk.

If anyone can help locate all the pictures taken during the SpecSource days that would be a start. My new scanner came this week. This will allow me to scan and photo correct the some 500 slides that have been donated. The scanner will also allow me to scan negatives and old photos and clean them up. I will start this task after Construct 2010. Below is a NEW link to all the pictures I have collected so far, 110+ galleries. Stop by and leave a comment about who's in the picture or where it was taken.

Please see me at the monthly meetings or contact me at Sebree Architects, Inc., via e-mail at [rpitman@sebreearchitects.com](mailto:rpitman@sebreearchitects.com) make sure to put 'Old Pics' in the subject line or at (317) 272-7800.

**TABLE TOP PRICES**

Indianapolis Chapter CSI

*Ralph R Pitman, Jr., CSI, CDT*

The Indianapolis Chapter of CSI is accepting reservations for Table Tops for upcoming Chapter meetings. The list of programs for upcoming Chapter meetings is published in this newsletter, the web site, or contact Program chairman Jack Morgan, so if you would like to target a particular meeting, make sure to get your reservation in early. We do have a limit of four spaces available for Table Tops in a standard meeting room and 10 if we have a double room.

Table Tops are an opportunity to promote your company, products,

or services to all attendees of our regular chapter meeting during the social hour. There is a maximum of 20 minutes for Table Top presentation at a regular Chapter meeting. You have the floor for maximum of five minutes during the dinner to communicate to the entire group if there are four presenters. If there is a greater demand, the 20 minutes will be divided by the number of presenters and rounded down to the nearest 30 seconds.

The Table Top presentations are FREE, one time, to new members, and cost current Indianapolis Chapter members only \$75. Non-members get the same opportunity for \$125. A 30 by 60 table with a cover and skirt will be included. All proceeds go to support the Chapters Education Fund. Another opportunity for a Table Top is during an Education Seminar. The cost is if you combine it with the Chapter meeting and Education Seminar the cost would be \$100 for current members and \$150 for non-members.

If you would like to schedule a Table Top for a future meeting or seminar, contact Ralph Pitman, Sebree Architects, Inc., via e-mail at [rpitman@sebreearchitects.com](mailto:rpitman@sebreearchitects.com) (317) 272-7800 or Matt Maier at [mmaier@edgewoodbuildingsupply.com](mailto:mmaier@edgewoodbuildingsupply.com) (317) 846-6060 make sure to put 'Table Top Request' in the subject line.

Knowledge for Creating  
 and Sustaining the  
 Built Environment

*The Construction Specifications Institute advances the process of creating and sustaining the built environment for the benefit of the construction community by using the diversity of its members to exchange knowledge. CSI members include architects, engineers, specifiers, interior designers, contractors, building owners, facility managers, and product manufacturers and representatives. Its long history of industry-wide membership has resulted in improved communication and unprecedented teamwork to develop innovative products and services of benefit to all involved.*
